The UI mockup shows a registration form on a dark blue background. At the top, there is a status bar with the time 8:00 and battery/wifi icons. Below the status bar is a white icon of a person with a plus sign. The form consists of four labeled text input fields: **Nome**, **Sobrenome**, **E-mail**, and **Senha**. Below these fields is a dropdown menu with a downward arrow. At the bottom of the form is a white button labeled **CADASTRAR**. The bottom of the screen features a light blue navigation bar with standard Android navigation icons (back, home, recent apps).
